Clearwater, FL ([PRWeb](http://PRWeb)) November 1, 2007 -- BioBuide, the Master Amino Acid Pattern (MAP), the unique supplement for power, recovery, strength, and endurance, and Trek Bicycles, the designers who helped put Lance Armstrong on the Tour de France's winner's podium a record seven times, jointly announce a drawing where one winner will receive a case of BioBuide (MAP) and a Trek Equinox TTX 9.9. The drawing starts November 1 and runs through February 29 2008. The Trek Equinox TTX 9.9 and BioBuide, the Master Amino Acid Pattern (MAP) can be found at [www.BodyHealth.com](http://www.BodyHealth.com).

Trek Bicycles have led the field in bicycle innovation for 30 years; from spearheading the burgeoning mountain bike scene in the early 80s to making history when Lance Armstrong became the first American to win the Tour de France on an American-made bike. . With these astonishing achievements, it's easy to see why leading tri-athletes such as three-time Ironman Champion Chris Lieto, favor Trek bikes. In the 2007 Ironman World Championship in Kona, Chris led the entire portion of the bike leg and Trek has many Ironman victories to its credit.

Also a favorite in the world of triathlons is BioBuide (MAP) and its partnership with Trek Bicycles in this drawing is perfect synergy; between them, Trek and BioBuide (MAP) provide power, speed, endurance and recovery. Legendary 6-time Ironman World Champion Dave Scott, tri-athlete, coach, race nutrition expert and Team BioBuide (MAP) spokesman says, " Within 24 hours of doing a hard workout, on BioBuide (MAP) my body recovers and is ready for training the next day. This is invaluable for any athlete of any age. I highly recommend it."

The winner of the draw will receive a magnificent silver Trek Equinox TTX 9.9, a highly refined speed weapon which features a lightweight OCLV frame outfitted with a Shimano Dura-Ace drivetrain and Bontrager Race X Lite Aero wheels.

The lucky winner will also receive a case of BioBuide (MAP) consisting of 24 bottles of this unique supplement. BioBuide (MAP) is 2 to 5 times more effective and absorbed 4 to 12 times faster than meat, fish soy or whey. BioBuide (MAP) is 100% absorbed within 23 minutes and it utilized to build body proteins. No other source of protein or amino acid can compare.

Master Amino Acid Pattern (MAP) is a unique patented formula of the essential amino acids created in the exact amounts and pattern-MAP for the human body to optimize endurance and protein recovery and minimize injury.

The winning name will be drawn on March 14 2008 and announced online at the TREK web site at [www.trekbikes.com](http://www.trekbikes.com) and the BodyHealth.com site at [www.bodyhealth.com](http://www.bodyhealth.com). The winner will be contacted to

arrange to take receipt of the bike.

Ways to enter the drawing are: by purchasing BioBuide (MAP) via BodyHealth, by signing up for the BioBuide (MAP) newsletter or mailing a 3x5 card to BodyHealth. No purchase necessary to win.
